Delighted to present in exclusivity 2 exciting activity books based on the soon-to-be released "The Son Of Bigfoot" 3D movie[*]!

This fully animated film, scheduled for Fall 2017, centres on a teenage outsider who discovers he is the son of the mysterious and legendary Bigfoot! This adventurous little boy discovers that he too is gifted with superpowers, which he will need to save his family from the villains.

Our 2 titles offer a rich mix of varied puzzles and games using the actual images and scenes of the movie! Full thrills guaranteed!

- Images & illustrations from the new 3D movie
- Thrilling activities

[*] Produced by Studiocanal, nWave Pictures and Waterman Ent. (Alvin and the Chipmunks) and directed by Ben Stassen!
