- 2 titles
- 16 pages + sticker spread + cover
- Size: 210 x 297 mm

You will instantly fall in love with these cute baby animals photographed in adorable accessories! This series is built around these irresistible characters, and children will have so much pleasure colouring them and using their stickers. With this book, pets will come to life and become your best friends thanks to the amazing app Studio Pets, created by Myrno Huijing. Once you enter the Studio Pets universe, you'll never want to come back to reality!
