LEARN TO TELL THE TIME

[Apprends à lire l'heure]

A classic educational title to learn to tell the time. With clear explanations and fun activities, this unique book will teach young children the basics of telling the time.

The “selling” value of this title is the clock-face with moveable hands that allows children to practice time and time again!

Many exercises and tests are included in this title with the solutions that can be found on the last pages.

- Interactive clock-face with moveable hands
- Wire-o binding for easy handling
- Endless practice and exercises with solutions

- 210 x 297 mm
- 20 pages + 4 pages front cover + back cover + peek-a-boo die-cut + 2 red hands
