

# SMART KIDS

EDUCATIONAL BOOKS • Ref: S0194

2 new titles for second level

- 210 x 297 mm
- 24 pages + 6 page cover
- 2 bind-ups of the original series are now available!

Our Smart Kids' collection has been such a success, that we decided to add 2 new titles to it. One title is being dedicated to Mathematics while the other one provides the opportunity for young children to acquire the first notions of Anatomy, Geography and Nature.

These books also come with a practical and didactic "wipe-clean flap" for endless training!

- Learning while playing
- Instructive but not too scholarly
- Didactic wipe-clean flap
