When you have finished this page, stick in the heads of the Squirrel and the cow.

Camping in the forest is an unforgettable experience! How many pinecones have dropped to the ground?

Finish the picture by tracing over the dotted lines, then colour it in as you choose!

Which of these outlines matches our raccoon friend?

When you have finished this page, stick in the pair of slippers and the nightcap.

The Sloth family are real Sleepyheads! Count the number of Stars on each Sloth's outfit.

Which of these circles does not fit in the illustration above?

When you have finished this page, stick in the toaster and the milk carton.

Time for a snack! But the toaster won't stop popping out toast! Can you find the two matching slices and draw blue circles around them?

Which of these cows appears on the milk carton above?

When you have finished this page, stick in the cake and the gift.

Happy birthday! How many candles are there on the cake? Write your answer in the circle below. Finally, complete the drawing by tracing over the dotted lines.

Fill in the patterns on these presents and then colour them in.

When you have finished this page, stick in the tube of paint and the artist's palette.

All painters have their own style. Can you paint the picture on the easel using only the colours on the painter's palette?

Which of these circles does not quite match the scene above?

When you have finished this page, stick in the tyre and the spinner.

Mr Crocodile has his own tyre shop. Can you match up the pairs of identical wheels? Colour each pair in a different colour. Next, colour in the car using the outline colours as a guide.

Trace over the dotted lines to reveal 3 different tyre trucks.

This series is filled with easy activities, plus reward stickers when children have completed the page. There are several activities per page giving children a lot to do! This book is perfect for children about to start school as it helps them become familiar with instructions.
