

Smart Kids Junior

Collection petits malins [ref. S0176]

3 titles of 24 pages

Our Smart Kids' collection returns but this time, for a younger age group: the 5 to 7 year olds! One title is dedicated to their initiation of handwriting. Another one will teach them the basic mathematical skills. The third one will familiarize our young geniuses with the world around them while developing their knowledge and sense of observation.

These books also come with a practical and didactic "wipe-clean flap" for endless training!
