Our "Trendy Models" series don't need to be presented anymore! Its worldwide success is now well-known and recognized by all our clients ... obviously a truly mutual achievement with more than 1.5 million copies delivered by end June 2012!

This time, we are offering 2 new titles with even more attractive activities in a slightly different format. We have obviously kept the winning trademark of this collection: modern, trendy and glamorous illustrations, eye-catching covers and easy to handle format! This new improved version contains in each title 3 stencils, 16 pages of trendy fabrics and a stickers spread that will provide even more fun and excitement to the soon-to-be fashion designers!
