This new educational series provides preschoolers the appropriate material to practice and learn how to count, write, observe as well as understand the concept of opposites. The exercises, designed in a clear layout, are not only clever and diversified but will also provide plenty of fun to our young readers!

This educational series comes in 2 formats: 4 exercises per page for the large format (A3) and 2 exercises per page for the A4 size, both bound as pads for easy handling.
