Scheduled reprint of 2 titles from our famous & bestselling "Discover" series!

These book's fascinating information will guide the young readers through their journey. The "Dinosaurs" title will help them crack the mysteries of these emblematic creatures.

While the Space one will throw them in the interstellar universe allowing them to pursue their galactic dreams!

The Space title has been updated to reflect the new adventures of Mr. Elon Musk with SpaceX!

These books are also available with a spectacular 4-view lenticular glued on the front cover
