+ RAINBOW PENCIL

Ref.: J0373

- 2 titles
- 64 pages + cover + rainbow pencil in blister glued on the cover
- Size: 165 x 240 mm

Simple drawings and symmetric designs are to be completed using the grid. One of the best exercises to develop children's sense of observation and dexterity skills.

Many diverse themes and illustrations in this labyrinth book. Not only fun activities, but also good concentration challenges for children's minds.

In both titles, the level of application and attention required will help children to stay calm and focused. Then, their imagination can run free while colouring the finished drawings.
