

Count & Colour

- Basic educative skills
- Learn while having fun
- Handle-shaped for easy carry-on

Ref.: **So228**

- 2 titles
- 48 pages + cover handle shaped
- Size: 210 x 297 mm

Another approach to "Sums and Colouring" for the beginning of primary school. Children must solve simple additions and subtractions to crack the colour code! A fun and easy way to develop elementary maths skills.
