At an early age, learning goes through play, and this is exactly what the 4 titles of this series offer. Preschool exercises to help children easily learn the basic concepts they will need for a good start at school. Guided by their new friend Leonard the Wizard and his 2 apprentices, they will need observation skills to do all the exercises.

There are 2 age groups for a progression in the learning process: 4-5 year olds & 5-6 year olds.
