

It's playtime! Luna turns to Lucas and asks, "Are you coming to play football with us?"

"No," replies Lucas, "I'm just going to watch today. I don't want to get my new shoes dirty."

"Go, Luna!" Lucas shouts.

Luna runs forward, but she doesn't notice that one of her laces has come untied. Oh no...!

“Are you okay, Luna?” asks Lucas.
“Can I join your team?”

Luna is so happy that Lucas is coming to play
that she doesn't even feel her knee hurting!

Lucas runs really fast and passes the ball to Luna...
who scores a goal! Well done, Luna!

"It's all thanks to you, Lucas," says Luna.
Lucas smiles. "With my new shoes,
I can run so much faster!"

LUNA HAS LOST HER FOOTBALL.

Can you help her find it?

Watch out, though – she can only stand on circles.

With your finger, show her the right path.
