# Calculate & Colour with Enchantimals

- Colour by numbers, a proven winning concept
- Maths exercises
- Iconic Mattel licenses
- 5-6 age group

## Enchantimals

A fun way for children to improve their mathematical skills.

With the help of the Enchantimals and Barbie, young readers will have lots of fun cracking the colour codes to finish the pictures. A few pages of sums can also be found at the back of the book to test the level achieved.
