Is the cat happy, sad, angry, laughing...?  
Give it some different faces.

Colour-match each animal with its related object.  
Use pink for the cat, blue for the dog,  
green for the mouse and yellow for the rabbit.

Can you brighten up this castle a bit for the princesses?  
Add flags on top of the towers!

Colour each princess's dress in a different colour.  
Find the bag and the covers belonging to each princess.  
Colour them to match the princess they belong to.
